A page for users to login account or create an account by clicking the “Create an account”.

# LOGIN PAGE

The wireframe shows a light blue rounded rectangular container. Inside, the word "Login" is centered at the top in a large, bold, black font. Below it are two input fields: one for "Email Address" and one for "Password", both with placeholder text. A large, prominent green rectangular button labeled "Login" in white text is positioned below the password field. At the bottom of the container, there is a smaller, lighter blue rectangular area containing the text "Create an account".

# CREATE AN ACCOUNT

After clicking the button, you can create an account in the “Create Account” page.
